- They will be coming to the school March 24th @1 to show their product as well as looking at our playground to see what is salvageable
- Blue Imp using the same grant writers as play quest and with that knowledge could we start with the grant writers and then decided on the company to use once we have a good estimate of budget
- Scott(Playquest) no update form him when he took pictures of the playground

**5.2 Staff wish list of things they would love to see purchased for the school**

- A list was sent out to staff to see what they would like to see purchased for the school and the classrooms.
- Miss.Serson was present so she discussed her wants of headphones to provide to the students so they have options of independent work
- Flexible seatings for the classroom to accommodate the students who may need the ability to stand or be lower.
- Sarah Ramer who was not present put a printer on the list and Larissa Serson second that.
- Rhonda timms was looking at a listening centre that would need clarifying on what this is.
- This was followed with the president and treasurer deciding we can make some small wins with some of the SPLF money that isn't earmarked for anything to purchase a printer and headphones for the school.
- We agreed to find exactly what we are looking for by Monday March 24th
